For those that attend, one of the highlights is our Silent Auction. We are asking that you consider contributing a donated item. Please use the attached blank form to indicate your donation for the 2019 conference.

Funds from this Silent Auction will be used to provide scholarships for survivors and family members to attend the annual conference. With your support, BIAPA has been able to help numerous individuals with financial aid towards their registration fee, travel expenses and hotel costs. Your donation is crucial to continuing the scholarship program.

Other BIAPA programs include Brain Safety Fairs held throughout the state; prevention presentations for schools and civic organizations; and our website, which includes information about state-wide support groups for people with brain injuries and their families. BIAPA also offers the Brain Injury Resource Line that helps to connect families and survivors of brain injuries with resources to help in their coping with the changes brought about by such injuries.

We are an organization of volunteers committed to serving our support groups and advocating for the development of more resources and programs to help the estimated 250,000 Pennsylvanians who are living with brain injury.

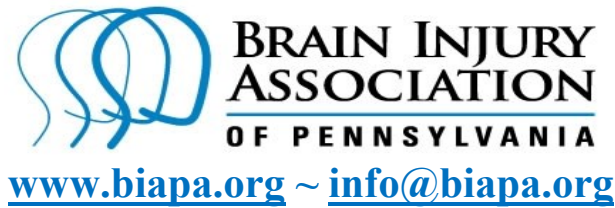

Thank you for considering supporting the Brain Injury Association of Pennsylvania by making a donation.

Sincerely,

Ronnie Arck-Pozzi
Stefanie Bauman
Silent Auction Co-Chairs

BIAPA, Inc. is a 501(c) (3) tax exempt organization incorporated in Pennsylvania

The official registration and financial information of the Brain Injury Association of Pennsylvania, Inc., may be obtained from the Pennsylvania Department of State by calling toll-free, within Pennsylvania, 1-800-732-0999. Registration does not imply endorsement.

Our mission is to prevent brain injury and improve the quality of life for people who have experienced brain injury and their family members through support, education, advocacy, and research.
